

2025 - 2027 Cycling Program

North York District

Legend

Status of Routes

- Underway
- New and Major Upgrade
- Renew
- Study or Design
- Approved for Future Implementation
- Neighbourhood Streets Plans (NSPs)

NSPs recommend changes to traffic operations and street designs. Many possible routes are shown in neighbourhoods, some of which may be proposed to implement in phases starting this near-term.

Implementation of projects is subject to public consultation, Council approval, feasibility of route alignment and detailed design, and capital infrastructure coordination.

Existing Cycling Network

- Cycle tracks, bike lanes, contra-flow bike lanes, wayfinding sharrows, signed routes, multi-use trails, park roads
- Expected to be Complete 2024
